

Can you help Pace Penguin ride the lift safely?

Answer the questions by circling YES or NO.

YES NO **Should you always listen to the lift operator?**

YES NO **Should you always ride with an adult who can help lift and lower the bar?**

YES NO **If you use poles, should you take off the straps and point them forward away from you and others?**

YES NO **When you are on the chairlift, is it safest to always face forward?**

YES NO **Is it okay to ask the lift operator to slow the lift down or for help even when it is busy?**

YES NO **Should you only go on lifts that your instructor or parents said were okay for you?**
